### Product Description

**High-Performance Smart LED TV with Gold Frame for**

## Modern Living Room

### Product Description:

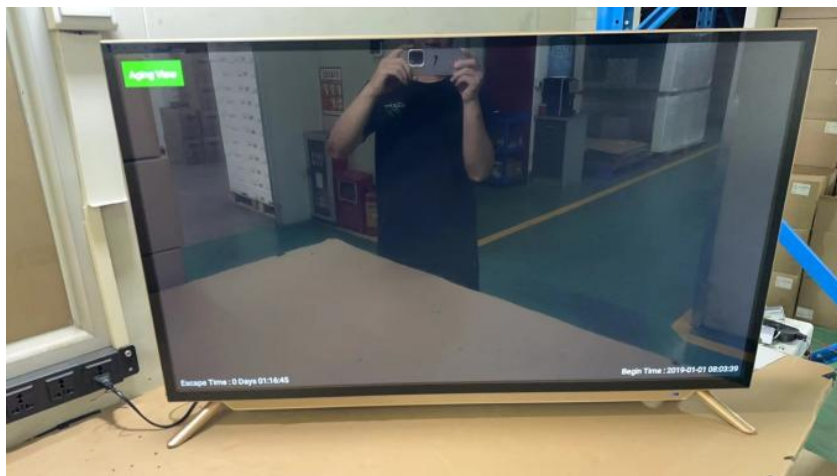

Luxury appearance: The golden frame gives the TV a noble and luxurious temperament. Compared with the traditional black or silver border, gold is more eye-catching and becomes a highlight in the home. For example, placed in a simple modern style living room, the gold border can instantly enhance the grade of the entire space

### Features:

Better material and durability: In order to support the appearance of gold, the border is often made of strong and durable materials, such as high-quality metal alloys, with good wear and deformation resistance.
