## Product Description

**Product Description:**

Space saving: Especially suitable for small bedrooms, kitchens or study space is limited places.  
Strong portability: If you need to move the TV frequently, such as in different rooms, the size of 22 inches is easy to carry.  
The price is relatively low: an affordable option for consumers on a budget.

**Features:**

**However, the 15-24-inch TV has some limitations:**  
Viewing experience: The screen is relatively small, which may not be enough for users who prefer the immersive viewing or gaming experience of a large screen.  
Multi-person viewing: It is not suitable for multi-person viewing at the same time, and the viewing Angle may be limited.
