### Why Choose Our LED TVs?

- Specialized in LED TV production since 2001 with extensive industry experience
- Vertically integrated manufacturing for competitive pricing and faster delivery
- Independent R&D and quality inspection departments ensuring product excellence
- Precision OEM services that meet exact client specifications
- English-proficient sales team providing real-time production updates
- Comprehensive size range from 15" to 65" with customizable features
- Global distribution network serving Europe, Africa, Middle East, Asia, and South America

### About Our Factory

ZHONGTUO Electronic Factory is located in Guangzhou Panyu District, specializing in LED TV, 3D Smart Television, and high-definition display products. Our 2000+ square meter facility operates with a complete quality management system, integrating R&D, production, and direct sales. In addition to our "duoshicai" brand, we provide OEM/ODM services for numerous well-known brands.

Current production capacity exceeds 20,000 units monthly, with products exported worldwide including Europe, America, Africa, Middle East, and Asia. Our factory is conveniently located near Huijiang Station on Guangzhou Subway Line 2.

### Ordering Process

- Contact our service team to discuss product specifications (15"-65" options available)
- Request samples, product pictures, or factory visit arrangements
- Review and sign Proforma Invoice/Contract
- Submit deposit (T/T, L/C, Escrow, or PayPal accepted)
- Production according to contract specifications
- Shipping arrangement (can use client's preferred forwarder)
- Balance payment clearance before loading
- Receive final invoice and shipping documents

For detailed product information or OEM inquiries, please contact our sales team.
