Key Features

- **World's No.1 OLED:** Celebrating 12 years of perfecting award-winning OLED TV technology.
- **Brightness Booster:** Our Brightness Booster technology magnifies each individual pixel for luminous quality that shines with every detail.
- **Bright Room Ready:** Verified by UL for Discomfort Glare Free (UGR less than 22), you can be confident your OLED TV performs great no matter the room or the lighting. With OLED you still experience perfect black that delivers stunning pictures other brands just can't match.
- **Alpha 9 AI Processor Gen8:** This processor is the brains behind a truly unforgettable TV experience. You'll get personalized smooth, vivid pictures no matter what you watch. AI Super Upscaling technology automatically enhances picture quality whether you're watching sports, movies, or a late-night favorite. Everything looks and sounds incredible on a OLED TV.
